In my settlement there were  
22 settlers living the day the  
line was finished; the day  
that the orders for removal &c.

there was but 28; which makes but 6 of an increase

Circumstances in the interim

All those marked thus \* in the second column are the old settlers  
All those marked — † are small families increased by inter  
marriages with the old settlers children, and consequently have  
but small families, which are five in number.

Charles Wells went early last winter to seek a place in the  
western country — a few days ago he returned & will soon go off.  
Robert Little and William Hartgrave has made but one crop, and  
had been preparing to remove to Cumberland 6 weeks before orders —  
One of the William Taylor's lives in side the line — tends a little ground  
out — Much more might be said on the concern.

Old settlers in Nathan Smith's settlement, before the line was run.

- 1 Nathan Smith
- 2 James Minyard
- 3 Michael Oliver
- 4 Stephen Smith
- 5 Nicholas Smith
- 6 Owen Carpenter
- 7 John Parker
- 8 Thomas Warren
- 9 Joseph Halcom
- 10 Charles Warren
- 11 William Thornton
- 12 Johnson M'Kinney
- 13 Lewis Dickinson

Here appears to be in the interim as aforesaid an increase of seventeen families. But the circumstances relative to those settlers would be as proportionate as that of my settlement

Settlers old and new

- 1 Nathan Smith
- 2 Isham Smith
- 3 John Smith
- 4 Adam Sheffield
- 5 James Keys
- 6 Joseph Melton

- 10 John Huitt
- 11 Jacob Holingsworth
- 12 Moses Alred
- 13 James Brown
- 14 Temple Carpenter

Captain John Little's old settlers

All removed

- 6 Peter Baugus
- 7 Lewis Williams
- 8 Martin Williams

There remains an increase of five settlers, in the interim as aforesaid — that now exists  
Circumstances I cannot well relate

\* Joshua Dunagan's old settlers. Old and New settlers

- |                     |                   |
|---------------------|-------------------|
| 1 Joshua Dunagan    | 1 Joseph Dunagan  |
| 2 Joseph Dunagan    | 2 Ezehiel Dunagan |
| 3 James Cunningham  | 3 Isaiah Dunagan  |
| 4 William Lawrence  | 4 Thomas Wafer    |
| 5 Robert Montgomery | 5 Joseph Wilson   |
| 6 William Gansey    | 6 Joshua Dunagan  |
|                     | 7 John Peak       |
|                     | 8 Solomon Peak    |

Circumstances Joshua Dunagan Deceased, Cunningham, Lawrence, Montgomery and Gansey, all removed long before the orders for removal &c. Solomon Peak lives inside the line, but tends some land without. Ezehiel Dunagan and Isaiah Dunagan were both married since the line was run. So that upon a full inquiry and generous allowances made \* Joseph Dunagan's settlement is not so strong nor more in number the day the line was run

Old settlers were 22 in Mofford's settlement	now	28
Old D <sup>r</sup> M <sup>r</sup> Smiths 13	now	30
Old D <sup>r</sup> John Little's 5	now	10
Old D <sup>r</sup> Dunagan's 6	now	16
		<u>74</u>
		216
		<u>218</u>

Old and new <sup>neighbored</sup> in my settlement, demominated Mofford's settlement. Say 66.

If proper allowances were made there would not be above 20

All new settlers and  
 intirely out of the limits of  
 my neighbourhood, and  
 south of the North and main  
 fork of the Oconee river
